

AFFILIATE PROGRAM

WHO WE ARE

Pixelmemories.com is proud to work with local, regional and national organizations to provide an easy to use, revenue generating solution. Our service allows users to celebrate their experiences by uploading their digital photos to our site and creating customized photobooks, calendars and posters.

OUR PROGRAM IS SIMPLE AND FLEXIBLE

Our goal is simple: To give your group a turn-key solution to this exciting new market and provide your users with an easy, fun experience and a beautiful, professional quality product. As your organization drives users to the site, revenue share is generated through product sales. Simply add a Pixelmemories.com link to your existing site, or we can create a customized, branded site for your group.

EASY AND FUN

Our market research and industry knowledge have assisted in developing a service that will meet the needs of any user- from novice to expert- and we continually strive for improvement. Our process makes it easy for users to keep it simple or take advantage of the flexibility our site offers and explore their creative side.
